

Remote Learning

Students have utilized ClassLink throughout this year to access online resources, and they will continue using this option to access online learning.

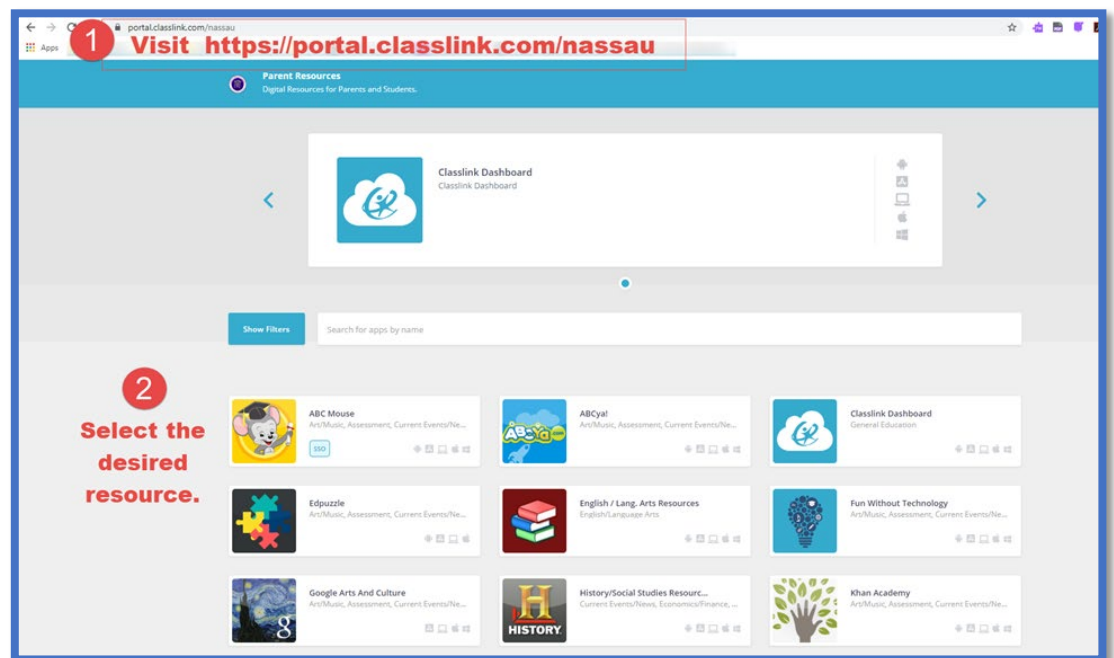

If a student needs to access the district-provided curriculum (i-Ready, Lexia, IXL, HMH, McGraw-Hill, BrainPop, Achieve3000, etc.), they should continue to access ClassLink at <https://launchpad.classlink.com/nassau>.

If students or parents would like more digital resources, please utilize the Public Portal at <http://portal.classlink.com/nassau>.

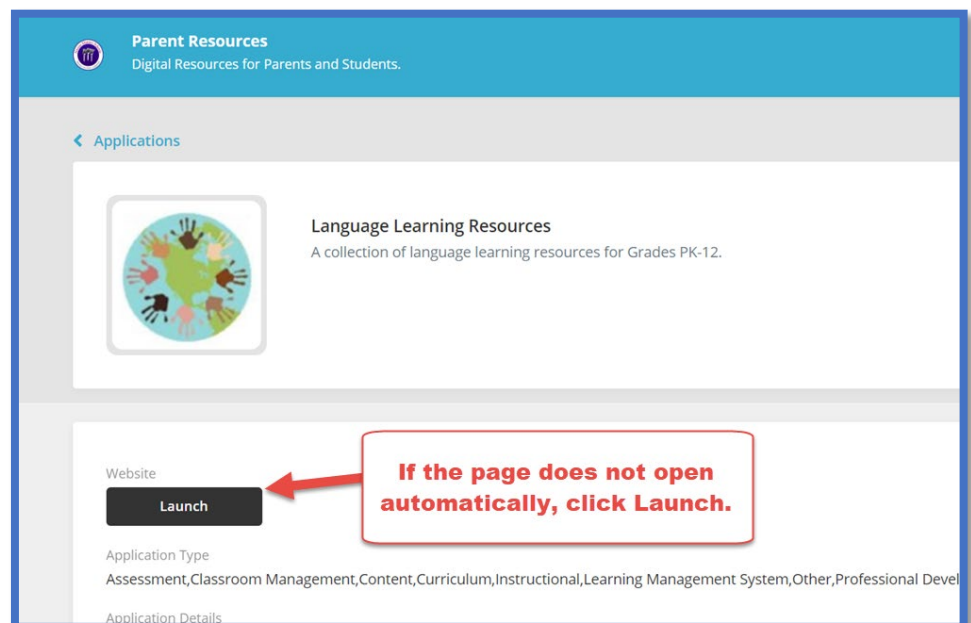

How to Access the Public Portal

1. Visit <http://portal.classlink.com/nassau>.

2. Select the desired resource collection.

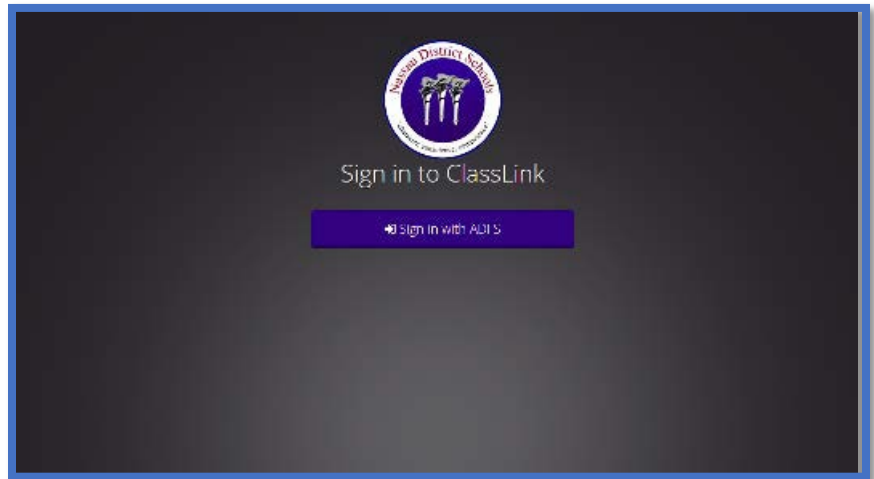

3. Click **Launch** if the resource does not open automatically.

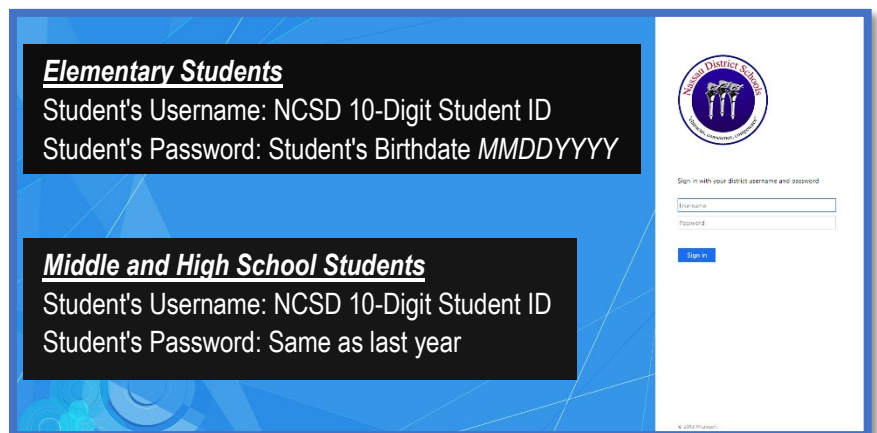

Remote Learning

How Students Access Online Curriculum

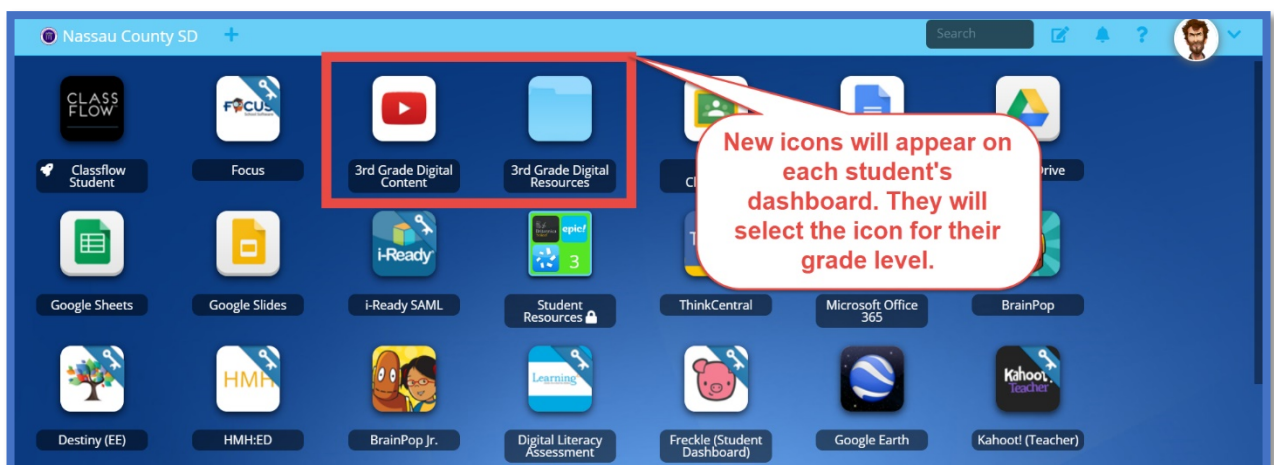

1. Visit <https://launchpad.classlink.com/nassau>.

2. Sign-in using your student login information.

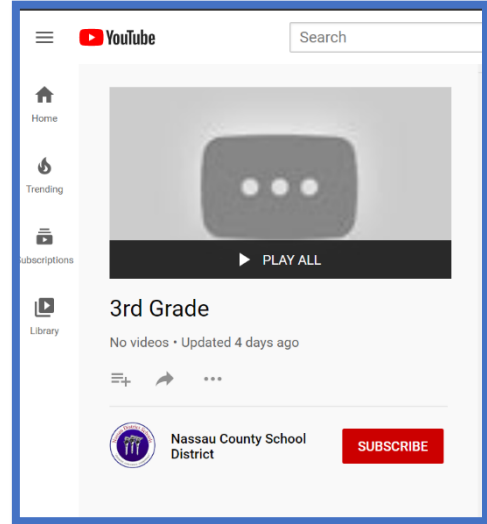

3. Select the desired icon for their grade level.

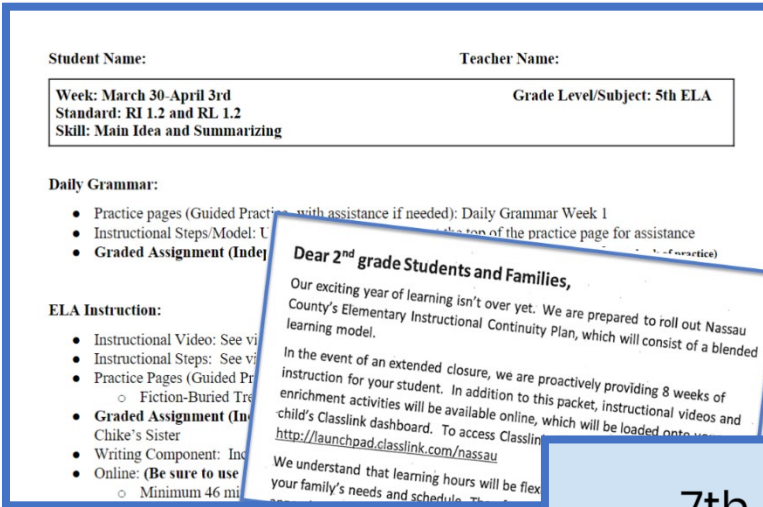

Remote Learning
