

It is the mission of the Nassau County School District to develop each student as an inspired life-long learner and problem-solver with the strength of character to serve as a productive member of society. In order to achieve this mission, it is crucial to develop the student as a whole including their resiliency and mental wellness.

This resource guide was created so those who are having a difficult time know where they can turn. This guide includes many providers from all walks of life and an assortment of specialties to help ensure you find the right fit.

This guide is not an endorsement of any provider, simply information on some of the resources that serve Nassau County youth and families. You may search psychologytoday.com or contact your healthcare or insurance provider for additional resources.

Reaching out for help does not have to be shameful or embarrassing. The sole purpose of this guide is to provide community members with the proper tools to help through difficult times.

If you have health insurance, first consider contacting your insurance company to find providers and services that may be covered by your plan. The contact information is typically located on your insurance member ID card.

Private providers may accept insurance or are self-pay only. Please contact the provider for more information about the services they provide and payment options.

Many employers offer an Employee Assistance Program (EAP) for employees and their family members as well.

Community mental health providers receive funding to provide free or reduced-cost services and emergency services.

If you or another individual is in crisis, seek medical attention immediately by calling 911.
