Dear Parents and Students,

Welcome to the 2020-2021 school year at Fernandina Beach High School! As we begin a new year, I look forward to instilling a renewed sense of school culture, collaboration, and community. FBHS enjoys a long tradition of academic excellence and we will continue to build and improve on that tradition. Our teachers have been working tirelessly over the summer to prepare for the upcoming school year. They are energized and prepared to actively engage our students in the learning process with new and exciting instructional strategies that will result in students reaching their untapped potential.

This year at FBHS, students, teachers and parents will see and feel a renewed of "Pirate Pride." We will be incorporating new ideas, clubs, and activities to improve the school culture and to bring some excitement on campus. With the collaboration and participation of all stakeholders, this will be a fun and exciting way to keep the year buzzing and moving forward in a positive direction.

The success of Fernandina Beach High School can not only be attributed to our fantastic teachers and students but to our community as well. We will continue to build strong relationships with parents, students, and community partners as these relationships have been the cornerstone of our success. We are all in this together and your support and participation are needed and appreciated.

This year is going to be amazing!

Sincerely,

Chris Webber

Homework: Students are expected to complete homework assignments that provide independent practice of the concepts presented in the classroom. Parents requesting homework for students with an extended absence from school should review focus information or contact the Guidance Office. (Please allow two days for teachers to be notified.) Students are expected to make up missed work within five days of their return to school. Assignments and exams scheduled for the day of a student's absence are due immediately upon his/her return to school. For additional information refer to the Pupil Progression Plan.

Make-Up Work: When a student is absent from school the student shall be responsible for all work and assignments missed during the student's absence. The student shall make arrangements with teachers for "make-up" work. The number of days allowed to make up the work shall be the same as the number of days the student was absent. This deadline may be extended with approval of the teacher or principal. Previously assigned projects or tests are due upon return from absence or as determined by the teacher's grading standards.

ATTENDANCE POLICIES AND PROCEDURES

School attendance is important and has a direct correlation to student success. A written explanation is required for EACH day or class period absent. **NOTE: a total of three (3) days or class periods may be excused by a parent note(s) in a grading period.** Additional absences may be excused at the discretion of the principal OR with documentation of one of the following:

- Personal Illness.
- Illness of an immediate family member.
- Death in the family.
- Religious holidays of the student’s religious faith.
- Required court appearance or subpoena by a law enforcement agency.
- Special events, including, but not limited to, important public functions, student conferences, student state/national competitions that are school-sponsored, administrative approved post-secondary educational institution visitation, as well as exceptional cases of family need.
- Doctor or dentist appointments.
- Students having or suspected of having a communicable disease or infestation that can be transmitted are to be excluded from school and are not allowed to return to school until they no longer present a health hazard (Florida Statute 1003.22). Examples of communicable diseases and infestations include, but are not limited to, fleas, headlice, ringworm, impetigo, and scabies. Students are allowed a maximum of two (2) days excused absence for an infestation of head lice.

Reporting Absences: Any student who has been absent from school shall bring a note from a parent or guardian within forty-eight (48) hours of returning to school stating the cause of the absence. Failure to bring in a note will result in an automatic unexcused absence. However, the fact that the student brings in a note does not require the school administration to excuse the absence. The principal or designee will decide whether the absence meets the criteria for an excused absence, and that decision will be final. The administration may request additional documentation, such as a doctor’s note. The excuse must state specific dates of absence, and must be signed by

the treating, licensed physician. After fifteen (15) days of absence, whether excused or unexcused, a student must present verification from a licensed doctor for all subsequent absences due to illness.

Check-in Procedures: Students reporting to school after the beginning of first period must **report to the Attendance Office**, to check-in to school and receive a pass to class. Failure to check-in will result in disciplinary action. Students will be allowed three (3) tardies to school per semester, without penalty. Absence from class over 15 minutes is considered an unexcused absence until documentation is submitted.

Check-out Procedures: In order to check out a student from school, the parent or guardian must be listed on the student's emergency card and have a photo ID. Students who are not personally checked-out by a parent or guardian must provide a written note to be verified by the parent with a phone call by a faculty or staff member or administrator. Students should bring checkout notes to the ATTENDANCE OFFICE prior to first period. Upon verification of the parent note, the student will be given a checkout pass with the departure time. At the departure time the student will report to the Attendance Office where the student's ID will be scanned. Failure to checkout will be considered an unauthorized departure from campus. Checkouts from school will be counted as parent notes until formal documentation is received by the Attendance Office. **Students will not be permitted to check out while participating in a state or district test.**

Violations of the attendance policy will result in the following disciplinary action:

- | | |
|---------------------------------------|--|
| 1. Failure to check-in | Lunch Detention, ISD, Loss of Parking Privileges |
| 2. Unauthorized departure from campus | ISD, OSS, Loss of Parking Privileges |
| 3. Skipping Class | ISD, OSS, Loss of Parking Privileges |

Tardy to Class: Students must be in their classroom when the tardy bell rings or report to the attendance office for a pass to class. Each tardy to class will result in assigned detention. Repeated tardies or failure to serve assigned detention will result in ISD/OSS. Students tardy more than 15 minutes will receive an unexcused absence from the class.

Tardy to School: A parent note will be accepted to excuse 3 tardies to school each semester without disciplinary consequences. Additional tardies to school will result in detention. Chronic tardies to school will result in ISD/OSS.

Truancy: A student may be deemed truant after (i) five (5) unexcused absences, or absences for which the reasons are unknown, within a calendar month, or (ii) ten (10) unexcused absences, or absences for which the reasons are unknown, within a 90-calendar-day period.

Students are subject to the following actions for preventing and correcting truancy:

- When a student may be exhibiting a pattern of non-attendance, the principal shall refer the student to the school's attendance team to determine if a pattern of truancy is developing.
- The school's attendance team shall meet with the student and parent or guardian to determine if a pattern of truancy is developing and to identify and implement potential remedies.
- If the school-based efforts to resolve non-attendance are unsuccessful, the student shall be referred to the Superintendent or his designee for truancy.
- The Superintendent or his designee will review the case and may refer the student to the District Truancy Prevention Task Force. The District Truancy Prevention Task Force is conducted with representation from law enforcement, school district, State Attorney's Office, Department of Juvenile Justice, Department of Children and Families, Youth Crisis Center, the parent, and the student. A decision may be made to file a petition in court for truancy.

Homebound Instruction: Students with medical problems that will result in absences from school for a minimum of 15 consecutive days may be eligible for homebound instruction. Parents should contact the Guidance Office for program guidelines.

STUDENT SERVICES

Buses: Students will not be allowed to ride a different bus or get off at a different stop without presenting a written parent request to the front desk that includes a parent phone number, bus number, and parent signature that can be verified by phone. Upon verification, the student will be issued a form to present to his/her bus driver upon boarding the bus. No exceptions. Only requests presented before school begins will be considered. Approved changes are valid for one day only. For additional bus route information, contact the Director of Transportation at 225-0127. All other students must remain on campus during lunch. No restaurant deliveries will be accepted (i.e., Doordash, GrubHub, Dominoes, etc.). Applications for the free/reduced lunch program are available on the Nassau County District website and may be completed online.

Cell Phones: Student cell phone use is limited to before and after school, in between classes and at lunch. In classrooms, teachers will define their cell phone and earbud usage policies at their own discretion. Cell phone violations will be enforced through the classroom 3-step disciplinary plan and the Dean's Office. Cell phones may not be used to take pictures, video or to view any inappropriate websites or videos while on school grounds. Students using cell phones for video or picture purposes will be subject to disciplinary action. Playing of music through external speakers is not permitted at any time. Bullying means systematically and chronically inflicting physical hurt or psychological distress on one or more students or employees. Bullying is further defined as unwanted and repeated written, verbal, or physical behavior, including any threatening, insulting or dehumanizing gestures, by a student or adult, that is severe or pervasive enough to create an intimidating, hostile, or offensive educational environment; cause discomfort or humiliation; or unreasonably interfere with the individual's school performance or participation. All reports of bullying, harassment and hazing are investigated and reported. (Admin. Rule 5.49). Hazing means any act or situation that recklessly or intentionally endangers the mental or physical health or safety of a student for purposes, including, but not limited to, initiation or admission into or affiliation with any organization operating under the sanction of a high school with grades 9 through 12.

Should academic concerns arise, please contact your child's classroom teacher first to seek resolve. If you desire to have your child transferred to another class, a request can be made to the school Principal. After two conferences with Administrative involvement to attempt a resolution, the request will be approved or denied by Administration within two weeks of the initial request.
