

Dear Parents,

As you have all seen in the grocery stores the cost of food has skyrocketed over the past year. These prices are now affecting the school food service industry. Some of the prices of our products have increased by 100%. Due to these increases, we will be raising a la carte prices starting Monday the 28th of November. These price increases DO NOT include regular breakfasts and lunches, those prices will remain the same.

Student's A La Carte	Old Price	New Price
