PROGRAM**
NASSAU COUNTY SCHOOLS

McKinney-Vento Program (MVP)

2025-2026

Mollie Cressey, Nassau County School District's Homeless Liaison
86207 Felmor Road, Yulee, FL 32097 (904) 277-9021, cresseymo1@nassau.k12.fl.us

The McKinney-Vento Act

Who is eligible to receive help under the McKinney-Vento (MV) Act?

Public school students who have lost housing and now live in a shelter, motel, vehicle, campground, or temporary trailer; on the street; doubled-up with family or friends; or in another type of temporary or inadequate housing because of loss of housing are eligible.

What rights do MV eligible students have?

Under the McKinney-Vento Act, children and youth in homeless situations have the right to:

- 1) go to school (no matter where they live or how long they have lived there),
- 2) attend either the zoned school or the former school/School of Origin (if this is in their best interest) and receive transportation comparable to housed students,
- 3) enroll in school immediately (even if they are missing records or other documents normally required for enrollment),

4) attend classes and participate fully in all school activities while the school gathers records, and

5) have access to the same programs and services that are available to other students.

MV students who obtain housing in another school zone are allowed to stay in their school to finish the year if that is in the child's best interest, and may even be provided with transportation.

Nassau County's Additional Services

Call or email Mollie Cressey with issues pertaining to **attendance, academics & other school-related needs**. **NOTE- non-required resources may be suspended due to irregular school attendance including required minutes per day.**

FREE CLOTHING-

MVP students, their families, & host families are welcome to come to the Clothes Closet for free clothing. It is open on Mondays (except for major holidays) from noon until 5:30pm. It is located at 850935 US Hwy 17, Yulee (across the street from the Pine Forest Motel). Your family may shop each month for outfits, toiletries, shoes, socks, and underwear (limits apply). You may request to have clothing sent to your student at school by emailing or sending a Remind message with needed sizes.

FOOD SERVICE-

Upon confirmation of eligibility and enrollment in the MVP program, students receive free breakfast and lunch without completing additional applications. *Make sure your child arrives at school in time for breakfast and takes advantage of this meal. There is a minimum and maximum number of items required to count as the free meal. If less items or additional items*

are chosen, they are not free. Your child may be allowed to save a packaged, non-perishable item from the breakfast tray to eat during snack time and/or from lunch to take for an afternoon snack.

SCHOOL SUPPLIES-

MVP students will be provided with school supplies upon request by parents or teachers. They can be picked up at the Clothes Closet, my office, or sent to the school.

AR (Accelerated Reader) Books- The most important "homework" that your child can do to ensure success in school is to read. Becoming a better reader requires daily practice at your child's independent reading level. You may choose books for your child from the book section at the Clothes Closet. These books do NOT need to be returned.

SCHOOL FEE PAYMENTS-

Grants and community donations are used for payment of school-related needs such as field

trips, high school senior expenses, library fees and other academic needs.

TUTORING- students identified by teachers as falling behind may be eligible for after school tutoring and transportation home.

EXTRA-CURRICULAR ACTIVITIES-

Funds are currently available to help with fees, equipment, uniforms, transportation, etc. Call to discuss your need. Fulfilling these requests may take several weeks. Don't delay in calling.

CHRISTMAS GIFTS-

If "yes" was marked on your MVP enrollment form, allowing the liaison to give out your contact information, then a representative from one of our Christmas programs (Joy to the Children, Homeless Children Ministries, Inc. etc.) will contact you to discuss gifts for your student(s). You may only be on one list or future Christmas help will be canceled.

Students are enrolled in the MVP for one school year. Re-enrollment is required for the new school year and is based on the student's living status at that time. Call to re-enroll after July 1st, if eligible.

Take Stock in Children, Inc. Take Stock in Children is a scholarship and mentoring program that offers academically promising Nassau County students from low-income families the opportunity to earn tuition scholarships to college or vocational school upon graduation. TSIC uses the same guidelines as the Federal Free/Reduced program. Students sign an agreement pledging to maintain at least a 2.5 GPA, stay drug- and crime-free, exhibit good behavior in school, and have good school attendance. Each student is matched with a volunteer mentor who meets with the student once a week at school, serving as an adult friend and role model.

Take Stock staff includes College Success Coaches, who meet with their students periodically, monitor their grades, attendance, behavior and provide assistance to the students and their families should the need arise.

NASSAU COUNTY STATE HOUSING INITIATIVES PARTNERSHIP LENDER INFORMATION

The Nassau County State Housing Initiatives Partnership (SHIP) Program fosters public-private partnerships to create and preserve affordable housing. It is committed to developing and improving housing opportunities in Nassau County by reducing the cost of housing for eligible households, increasing the number of homeowners, and increasing the county's existing housing stock.

Through the Nassau County Local Housing Partnership Initiative, the SHIP program provides down payment and closing cost assistance to those meeting eligibility requirements.

The Nassau County's Local Housing Assistance Plan (LHAP) is attached for reference to down payment and closing cost assistance for homeownership through the SHIP Program. These funds may be divided into down payment and closing costs assistance for the first mortgage lender. The Maximum Awards for each Income Classification are provided in the table below.

INCOME LIMITS PUBLISHED BY FLORIDA HOUSING FINANCE CORPORATION FOR NASSAU COUNTY 2025 Income Limits Adjusted to Family Size

Income limits are determined through household income verifications and classified by categories.
