ARTICLE III - MEMBERSHIP

- A. Members of the bargaining unit have the right to organize, join, and support any employee organization or the right to refrain from such activities. Membership in any organization shall not be a condition of employment, nor shall it act in any way to deny or restrict individual rights or freedom of choice.
- B.
 - 1.
 - a. The Union through its local officers and members shall request in writing the right to use school office equipment. The equipment to be used shall be designated by the approving authority. Equipment authorized for use shall be typewriters, copy machines, calculators, and audio-visual equipment. Email may be used for official Union business only and messages, including attachments, must pertain to official Union business and may not be political campaign material nor derogatory of persons or organizations. The Union agrees to adhere to the Nassau County School Board Acceptable Use Agreement relating to the use of email.
 - b. The parties agree that all computer equipment (hardware and software) designated for Union business may only be used in accordance with the Acceptable Use Policy signed by each employee which states in part that use of the digital network will be in support of education and research consistent with district policy and may not be used for political lobbying.
 - c. The Union agrees that the equipment to be used shall be used on the premises where the equipment is located and that all materials and supplies to be used shall be furnished by the Union prior to or at the time of usage.
 - d. Finally, the Union agrees that it shall hold the Board harmless from any action taken or not taken under this provision that results in injury to any employee or other person during the course of such usage or while the equipment is under possession and/or control of the Union. Further, the Union agrees to pay and be responsible for any damage or loss, or misuses of equipment that results in damage or loss, and that such usage when approved by an approving authority shall be for routine non-inflammatory usage by the Union and will be in accordance with the Acceptable Use Policy as distributed and signed by each employee. When utilizing this equipment, each employee specifically understands there is a limited expectation of privacy.
 - 2. It is the intent of the parties that the Union shall have the right to use the equipment as called for herein upon reasonable request when said equipment is not being used by the Board and/or its designees. Only employees of the school district shall have access to or operate such equipment.

It is clearly understood that in the event such inclusion of this section in the contract violates federal or state statutes or regulations, such section shall be deleted in its entirety.

- G. The parties agree that as of July 1, 2023 the following italicized language is currently

unenforceable and inactive due to legislation passed in the 2023 Florida Legislative Session:

Upon written authorization by an employee, the Board will deduct Union membership dues and uniform assessments from his or her salary. The employer will deduct the sum authorized in twenty-four (24) equal installments starting with the first paycheck for 10-month personnel in each school year in which dues and/or uniform assessments or all other payroll deductions are to be deducted. The Board agrees to remit Union dues and/or uniform assessments once deducted to the Union within ten (10) working days after the end of the month in which the dues and/or uniform assessments have been deducted. Members who join after the beginning of the school year will submit authorization form (appendix A) and shall have deducted from their salary the remaining installments from the school year in which the authorization is submitted.

The Union shall submit authorization forms for dues deductions for new members prior to the first deduction payroll due date as established by the Business Office so that the Board may deduct membership dues from member salaries in keeping with this provision. All such authorization shall be continued from year to year unless canceled in writing by a member. Such cancellation notice shall be given to the Business Office not later than 30 days prior to the effective date of said cancellation of dues deduction to allow adequate processing time.

An employee may terminate his/her dues deductions and uniform assessments at any time during the year, providing he/she submits a request in writing thirty (30) days in advance of such termination. Upon termination of employment during the school year the dues and/or uniform assessments will be automatically terminated.

APPENDIX D
INCENTIVE PLAN

NON-INSTRUCTIONAL EMPLOYEE INCENTIVE COMPENSATION

The Nassau County School Board and Nassau Educational Support Personnel Association (NESPA) desire to encourage employees to attain skills and/or education to enhance their work performance. It is understood that effort, time, and expense are required to obtain skills and education, and that licenses and certifications may require the periodic purchase of a license and/or periodic continuing education in order to maintain certification or licensure.

In addition, the NCSB and NESPA desire to assign monetary value to skill/educational attainment that represents comparable compensation according to the effort, time, and expense required to attain and/or maintain one type of skill/educational credential as compared to another.

Therefore, the Non-Instructional Employee Incentive Planning Team recommends the following incentive pay supplements that represent fair and equitable opportunities for all non-instructional employees in all positions to attain skills and/or education related to their job assignments, to receive extra compensation for doing so, and to assist with the recurring costs of maintaining credentials.
