Mandatory Meeting

Our first meeting for the second semester will be Thursday, January 19, 2023. This is a mandatory meeting that everyone is required to attend. If you cannot attend the meeting it will be your responsibility to see Mrs. Mosley prior to the meeting date so that you can get all of the required information.

Such a Great 1st Semester

Thank you for all of the great work that as a group we were able to accomplish in the 1st semester. You stocked the closet in August to lead the way for great projects around campus. In October you provided TONS of candy and great trick or treat booths for our First Annual Fall Festival. November and December were filled with Food Drive donations and Toys provided for Wolfson Children's Hospital. You are making a difference in our community!

2nd Semester Plans

Your service project for January will be another Stock the Closet. The funds that are raised from the Closet are used for projects around campus throughout the year. It is required that everyone participates. If items are not donated we will have to find other means of fundraising. This is a profitable project when items are contributed. Our plans for the Spring include providing new landscaping around campus and contributing to Teacher Appreciation Week.

February Service Project

Our service project for February will be Valentine treats for the Faculty and Staff. I need every student to bring in one box of theater candy like you see in this picture. We will make Valentine tags and deliver to everyone on February 14, 2023. You can find this type of candy at the Dollar Store and Winn-Dixie. Again, I need everyone to participate so that we have enough. You will receive one point for your candy.
